Re: Application of Gamecock Moving, LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2017-103-T

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") does not intend to file direct testimony in the above referenced docket.

ORS has reviewed the Application to Amend the Scope of Authority in this docket, and does not object to the Applicant's request to expand to providing services statewide. Applicant is in good standing, having no complaints or violations. ORS staff is of the opinion that the Applicant has continued to meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133 (2012).

Should the Applicant prove to the Public Service Commission of South Carolina ("Commission") that it meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity for Statewide Authority, ORS will ensure that the Applicant complies with all applicable Statutes, Regulations and any conditions of the Commission Order prior to the issuance of such Certificate.

Thank you for your consideration in this matter and please do not hesitate to contact me if you have any concerns regarding the matter above.

Sincerely,

Jenny R. Pittman
